

## **Coronavirus Policy**

With mass gatherings having been banned in 2020 as part of the effort to prevent the spread of Coronavirus, Perfect Motion will be implementing the following policy in relation to its events moving forward.

If you are not 100% comfortable with what is outlined, we recommend that you do not enter this event at this point in time.

### **The Policy:**

Should mass gatherings be restricted again by the time of this event in 2021 then the following will happen:

- 1) We will automatically move your entry to a re-arranged date the following year which will be announced once confirmed with the relevant authorities and subject to the bans being lifted by such time.
- 2) There will be no option of a refund under any circumstances for any entries placed after **FRIDAY 13TH MARCH 2020**.
- 3) If you entered before **FRIDAY 13TH MARCH 2020** then the original Refund Policy will be honoured for that event. Please note that after the set deadlines in each event in these previous refund policies, no exceptions will be made.

Once again, if you are not comfortable with any of the above, then please **DO NOT ENTER** at this point in time.

We are taking these steps in an attempt to be able to continue to operate and deliver our events during this difficult time, but to also provide our customers with the clearest advice possible.
